

Chamberfest: Informal Survey Results

On Saturday, June 11, 2016, Planners set up a booth at the Los Alamos Chamberfest event in Los Alamos Township and conducted an informal survey consisting of two questions and a space for comments. There were 101 respondents. These were the results:

CARPORTS – SHOULD NEW CARPORTS AND GARAGES BE SUBJECT TO STRICTER DESIGN STANDARDS, SUCH AS HAVING TO MATCH THE STYLE AND MATERIALS OF THE HOUSE?

"SHORT-TERM RENTALS" – "BED AND BREAKFASTS" ARE CURRENTLY ALLOWED IN OWNER-OCCUPIED HOUSES. WITH THE EXPECTED GROWTH IN TOURISM, DO YOU SUPPORT FEWER OR MORE RESTRICTIONS TO THIS KIND OF SHORT TERM RENTAL?

OVERALL, NO OVERWHELMING TREND ON EITHER QUESTION
